MEMBERSHIP APPLICATION

Please tag the payment with your name so we know it's from you!

Since October 2004, The Commodore Club of Tasmania Inc. has been dedicated to bringing commodore enthusiasts together - on cruises, at car shows, through charity days, at motorsport events and on the internet.

How do I join?

Simply read and complete this form, and get it to us with your membership fee. This form needs to be signed off by two current club members - if you don't know anyone in the club, you're best to come along to some events to get to know us!

Once the forms are filled out and the fee paid, you will receive a membership pack - this includes paperwork, stickers and a keyring, as well as some other bits and pieces, to get you started as a member.

How much does it cost?

The initial joining fee is **\$50** - this is a \$30 joining fee, and a \$20 yearly fee. Memberships are due on the 1st July, and are \$20. (Payment options listed on back of booklet)

Do I need a commodore?

We welcome all owners and enthusiasts of Commodores from VB-VE, late model Monaros, Calais and all other Commodore variants. If you don't drive one of these cars at the moment, you are still able to join.

What do I get from being a member?

Invites to all our open and private events, discounts from our sponsors, access to private areas on the forum, discounts to entry to our paying events like drag days and dyno days, and the chance to win trophies at these events, and a monthly newsletter, and that's just a start! The club is also a great way to meet new people, learn more about your car, and have plenty of fun!

For more info, please contact us - details are on the back of this booklet.
